WELCOME

TO DUNGLASS ESTATE

— *East Lothian* —

As you drive through the stone gates, up a winding driveway lined with ancient trees, you are greeted by one of the most stunning views in all of East Lothian. With acres of landscaped grounds and a beautiful 15th Century Gothic church as well as guest accommodation and a secluded, elevated honeymoon suite, the possibilities are endless for the design of your wedding day.

2020 is a particularly exciting time for our couples at Dunglass, as the long anticipated conversion of our historic Stables buildings into a beautiful new ceremony space will be completed, giving additional options for the most special of days regardless of the number of guests.

The estate, run by ourselves, Joyce and Simon Usher, is nestled between East Lothian and the Scottish Borders. Our experienced team at Dunglass prides itself on working closely with you to create your unique day in a truly unrivalled location. We also offer the most delicious food options delivered by three highly talented catering partners, who are dedicated to delivering exceptional events at Dunglass. Your only challenge will be to decide which one to choose!

To understand what we can offer, we will be delighted to show you around and discuss the potential for a truly memorable occasion. Our sales manager will contact you to arrange an early date, where we can discuss your wedding in detail and show what we can do for you.

We look forward to meeting you!

PAVILION

We are delighted to showcase our bespoke built Dunglass Pavilion. Situated adjoining the Stables Courtyard, this unique event venue has an entirely glazed elevation to give your guests views of the estate, and our newly created raised terrace area, complete with seating and a firepit. Atmospheric paint colours, statement lighting and a custom created bar and dance area ensure the internal views are as attractive as our far reaching sea views.

Expect custom crafted wooden furniture, generously proportioned dance and bar areas, complete with classic button back armchairs and statement mirrors, this is a space your guests will be most reluctant to leave.

The Dunglass Pavilion can seat 200 guests and with the landscaped external terrace offering the perfect location to enjoy reception drinks, this new venue gives guests an entirely unique experience.
